About the Faculty

The faculty of Pharmaceutical Science & Technology (FPST), AKS University, Satna is one of the premier institutions for pharmaceutical education and research in the Vindhya Region. The college (Rajiv Gandhi Institute of Pharmacy) was started in the year 2006 affiliated to the Rajiv Gandhi Technological University (RGTU), Bhopal and now became a constituent Unit of AKS University in 2012. The faculty of Pharmaceutical Science & Technology (Rajiv Gandhi Institute of Pharmacy) is approved from Pharmacy Council of India, New Delhi. The faculty of Pharmaceutical Science & Technology now offers D.Pharm., B.Pharm., M.Pharm (Pharmaceutical Chemistry), M.Pharm (Pharmaceutics) & Ph.D. Programmes.

Vision

To be recognized globally for academic and research excellence, meeting the evolving needs of the pharmacy profession and society.

Mission

- To promote and train professionals in accordance with global standards for social and pharmaceutical needs, through structured training programs such as B. Pharm., M. Pharm., and PhD, ensuring professional pharmaceutical education and the development of effective competencies.
- To achieve academic excellence in pharmaceutical sciences by fostering an innovative teaching and learning process.
- To establish a recognized research center that addresses the evolving needs of the pharmacy profession and society.
- To enhance skills through hands-on, experimental knowledge in line with the global requirements of the pharmaceutical industry and society.

Testimonials

Studying at AKS University has been a great journey. The Pharmacy Department offers excellent lab facilities, supportive faculty, and a strong focus on practical learning. The university really helps in building a solid foundation for a successful career in the pharmaceutical industry. I'm proud to be a part of it

Deepak Pandey
B.Pharm (Batch-2014-2018)
TBM (Territory Business Manager)

Eris

My journey in the Pharmacy Department at AKS University has been truly enriching. The mentorship here is outstanding—our faculty are not just teachers, but guides who constantly motivate and support us. With strong academics, hands-on training, and career-focused learning, I feel well-prepared for a future in the pharmaceutical field."

Shivam Kumar Pandey
B.Pharm (Batch-2014-2018)
Research Scholar
(NIPER) – Raebareli (U.P.)

Studying in the Pharmacy Department at AKS University has been a great learning experience. The teaching is very interactive and concept-based, with supportive faculty who are always ready to guide us. The blend of theory and practical sessions really helps us understand the subject deeply.

Ankit Tiwari
B.Pharm (Batch-2018-2022)
Manager at Scientific Service

Himalaya
HERBALS

Studying in the Pharmacy Department at AKS University has been a great experience. The mentorship from faculty is very supportive and career-oriented. We get strong academic training along with practical exposure. The placement cell also works actively to connect us with top pharmaceutical companies, helping us build a strong future."

Yudhishtir Singh Baghel
B.Pharm (Batch-2014-2018)
Aurobindo Pharma limited
Research Centre -1 Hyderabad

The Pharmacy Department at AKS University provides a strong academic foundation with excellent lab facilities and practical learning. The curriculum is industry-relevant, and the placement cell supports students in securing opportunities with reputed pharma companies. It's a great place to build a successful career in pharmacy.

Abhishek Dwivedi
B.Pharm (Batch-2012-2016)
Sr. Executive - Zydus

My experience in the Pharmacy Department at AKS University has been truly transformative. The teaching was exceptional, with experienced faculty members who always encouraged us to think critically and stay updated with the latest in the pharmaceutical world. The placement support was equally commendable—thanks to the university's efforts, I got a great opportunity to start my career right after graduation. I'm proud to be an AKS alumnus
